### ABOUT THE BAND

“We've had a lot of people ask us about how we came up with the name 4th Day Band. It comes from the weekend. 4th Day being the rest of your life. Christ died and was raised on the 3rd day so on the 4th day it's our turn to be His hands and feet to the world. To go out and do the works of Christ in the world. To spread His message to all. You maybe the only bible someone ever reads. So through our music we spread God's word.”
